

THE HOUGHTON HOTEL  
Spa, Wellness & Golf

## COVID-19 Update - SA Lockdown

Following updates from the South African Presidency and the respective Tourism and Hospitality ministries, we've taken the decision to close all our businesses for the lockdown period.

The Houghton Hotel, The Venue, All Restaurants & Bars, Amani Spa & Wellness, Fit Bar Gym, The Houghton Hotel Medical Suites (including Lancet Laboratories) and all outdoor amenities (pools and golf incl.) will be closed until further notice.

The protection of our colleagues and their families, our guests and the community we operate within is of the highest priority and we recognize that the implementation of a national lockdown is in the best interest of all South Africans. We hope to open our doors and commence operations come April 17<sup>th</sup> however this will be dependent on national developments.

The Houghton and its business partners will continue to adhere to appeals from the South African Government and is committed to flattening the curve. We have great trust and confidence in South Africa's experienced health care specialists, these professionals and all other essentials services teams have our full support during this period.

Please visit our website and social media pages for updates.
